

# **Distance Learning Plan- 4<sup>th</sup> Grade –Miss Wahlberg**

## **Needs:**

- School work will be online based – A technology device and internet access is needed.
- A few paper items will be delivered in a packet along with the Benchmark reading booklets.

## **Site:**

- All work will be found on my google classroom site...  
<https://classroom.google.com/c/NTQ2MTE5MjY5MzJa>
- You will need to sign into your google email site to access google classroom.
- Many math and grammar activities will be done on IXL... <https://www.ixl.com/>
- Other websites will be posted within the google classroom as needed. (ex: sumdog, typing.com and different youtube links)

## **Attendance:**

- Class attendance will be recorded based on student responses to the discussion question each morning.

## **Assignments:**

- Assignments will be posted daily on google classroom at 8:00am for reading, math and social studies.
  - These assignments will have until the following Monday at 7:30am for completion.
- Science will be posted weekly on the first day of the week at 8:00am with the completion date also being the following Monday at 7:30am. Students can either complete the assignment all in one day or work on it throughout the week.
- All assignments and packets are available on google classroom, if your student does anything written on paper, please take a picture of the assignment and e-mail it to me.
- Parents can access students 4th quarter grades as usual through their JMC parent portal accounts.

## **Interaction:**

- Any questions or assignments needed to be sent to me should be emailed to me at [mwahlberg@rlfedu.org](mailto:mwahlberg@rlfedu.org)
- You can also contact me through other resources we have been using throughout the year such as Remind and ClassDojo
- Students and parents are free to email me outside of the normal 8am-3pm time frame and I will respond as soon as I am available to.
