New Year, New Opportunity

What is Comprehensive Achievement and Civic Readiness?

During the 2024 session, the Minnesota Legislature renamed WBWF to Comprehensive Achievement and Civic Readiness (CACR).

This new name emphasizes dual roles for the goals set forth in district plans—supporting students with academic achievement within their pre-K through 12 experience as well as preparing them to be active members of their community after graduation.

Takes effect with the 2025-26 school year strategic plans and the Fall 2026 annual summary report.

A CACR Strategic Plan is a multi-year, detailed document that illustrates how a district will execute its goals or initiatives concerning the CACR goals.

FIVE GOAL AREAS

- All children are ready for school.
- All racial and economic achievement gaps between students are closed.
- All students are ready for career and college.
- All students graduate from high school.
- Prepare students to be lifelong learners.

Ensure that community members have an opportunity to participate in the strategic planning process.
