

## **RED LAKE FALLS PUBLIC SCHOOLS**

Independent School District #630

404 Champagne Avenue

P.O. Box 399

Red Lake Falls, Minnesota 56750

To Parents, Guardians, and Students

We know there is a lot of questions circling about Prom. At this time, we have decided to postpone Prom from the original to a later date and time due to the guidelines our Governor has issued to the state of Minnesota. The potential date and time will be later determined as more information is released about Covid-19, and the allowances of social interactions. Just a reminder to everyone, our overall goal is to maintain the safety of the students.

There are now two possible outcomes that could occur:

1. Postponing Prom to a later date

- Date would be around mid-June or at the latest mid-July.
- Date is also dependent on Sports and
- May weekends are already taken

or

2. Canceling Prom

Both options rely heavily on what the state and school decide to do May 4th and beyond. Everyone is being briefed on the above options and are to understand that Mrs. Christianson and I will do our best to make the safest and best decision possible.

We will update y'all the moment we have come to a decision or have any further information pertaining to prom. If you have any further questions or concerns, please email either Erin or myself.

Thank you for your patience and understanding.

Jason and Erin
